RESPONSE TO OFFICE ACTION

Honorable Commissioner  
of Patents and Trademarks  
Washington, D.C. 20231

Sir:

As indicated in Applicants' letter to the Patent Office dated September 30, 1993, an Office Action in the above-described patent application was mailed on September 27, 1993. However, the Office Action indicates that the application was examined only with respect to the originally filed claims 1-3, and did not consider the claims added by the Preliminary Amendment filed on July 14, 1993.

Attorney for Applicants has since spoken to the Examiner who stated that he would withdraw the September 27, 1993 Office Action and issue a new action. Applicants hereby respectfully reiterate their request for the Examiner to withdraw the September 27, 1993 Office Action and issue a new Action that addresses the claims added in the Preliminary Amendment.

Respectfully submitted,

*Thomas J. Scott, Jr.*
